

Elks Camp Barrett Camper Information

Arrival Instructions

Parents and Guardians are responsible for arranging for their child to arrive at Elks Camp Barrett.

Campers and parents are expected to arrive between 1:00pm and 2:00pm on the Sunday of the week your child will attend camp.

Please check with your lodge representative about how your child will get to camp, as some Lodges help to coordinate with parents for carpooling.

You should expect to be at camp for approximately 3 hours to check your child in, meet with the staff, tour the camp, and assist your child in getting settled in his/her cabin.

Supper is the first meal served to campers for the session.

No food or drink will be available during the check in period.

Please ensure that your child has eaten lunch prior to arrival.

You may want to bring a cold drink for you and your child while you are waiting to check in.

Check-In Instructions

You or a guardian who is responsible for your child, must remain at the camp until the camp nurse has cleared your camper. Only when the nurse has given approval and signed off, will your child be considered properly enrolled in the camp program.

We expect parents to supervise their children during check-in. Parents should not leave their children unattended during the registration process. We are grateful for your patience and cooperation during this very important time. We want to make sure we have all the information necessary to provide your child with a positive camp experience.

Contact your sponsoring Lodge or Program Representative if you have questions or problems.
